Refunds on Overpayments:

In some cases, participants may find that their fundraising efforts have exceeded their expectations. In the event you have raised more money than your portion of the tour you will be entitled to some refund. Because of guidelines set forth by governing bodies we are not allow to refund money to players with remaining eligibility. However, if you have paid in personal money (which includes your money as well as your immediate family investments) we can reimburse you for your investment. For example, if you or your parents have paid the deposit of \$300 out of pocket you would be entitled to a refund of up to \$300 over the amount of the cost of the said trip. If the trip cost is \$1000 and you raise \$1300, you would be eligible to receive a refund for your initial deposit of \$300. If you raise \$1325, the additional \$25 would become property of AIST and used to upgrade the tour in some aspect. Refunds will be disbursed in September.

Payment Schedule:

After your initial deposit you will have a payment schedule that will be set up for you to pay or fundraise for the rest of your trip. It is important to remember that approximately 130 days before your departure date we must have enough money in your account to purchase your international airline ticket. If you are below this amount you will risk being dropped from the tour and you will be subject to the cancellation policy. You must also be paid in full 60 days prior to departure or you will be subject to the cancellation policy. Other restrictions may apply for discounts on specific tours as well.
